Composing an encrypted email from ZixPort

Step-by-step example of a customer composing an encrypted email to NEMCMH.

Step 1

If you want to send an encrypted email, click the "Send Us A Secure Message" link from the NEMCMH.org homepage.

You will automatically be brought to NEMCMH's custom secure portal.

Step 2

If this is your first time accessing this service, you will have to register to activate your personal secure email account.

The password rules criteria are outlined at the bottom of the page.
