Motion carried.

IX. Strategic Planning – Educational Session

Board members reviewed the NeMCMHA Strategic Plan Proposal. The mission statement, vision, and core values will remain unchanged. Board members first looked at forces in the environment impacting behavioral health. Nena Sork stated opposition to the Shirkey and Whiteford bills is well organized and there is a lot of support from judges, sheriffs, probate, etc., as well as a massive influx of calls to the governor's office opposing the bills. Eric Lawson stated the Health Resources & Services Administration (HRSA) approval for loan forgiveness should help with staff recruitment. Nena said the Agency is below

70 open positions for the first time in a while, as there are currently 68 open positions. In the month of June and the first two weeks of July there have been 22 new hires.

Board members next reviewed their current goals. While looking at the goal of reducing the risk of metabolic syndrome in adults and children, Nena stated coordination of care with primary care providers has increased and there is open communication with those providers if the individual served allows it, with the majority of individuals being agreeable to this. Staff can help individuals get to their primary care provider appointments and even attend with them to aid in understanding the information being discussed. Nena stated this increased coordination of care has helped to catch cancer and thyroid diagnoses and those individuals were able to get early interventions. Board members agreed to keep this an active goal.

Nena discussed the internal goals the Agency has created after holding their stakeholder meeting. The state sends out questions which are passed along to the schools, law enforcement, and the justice system, among others, and the public are also welcome to attend the meeting and answer the questions. After the meeting, the Agency develops their goals based on the feedback received. The current targeted goals address community education, expanding Behavioral Health Home (BHH), increasing transportation assistance, strengthening relationships with law enforcement, and expanding peer support services. Nena stated it would be beneficial to include these goals with the Board Ends so they could be worked on together.

The next Board goal reviewed addresses promoting a trauma-informed community. Nena stated there is a lot of work to be done, as many need help with trauma, and adults who have past trauma need support. The Agency is very involved with community partners who work with trauma. Nena stated the Agency's current goal of community education would complement the Board's trauma goal.

Eric stated it's important for people to know NeMCMHA can screen children. Terry Larson said he would like to see the Agency do all they can to work with the schools to help identify and deal with risks. Nena said the recently retired AMA ESD superintendent had been working with her on screening children who may be at risk for doing something violent or being a victim of violence. NeMCMHA and the AMA ESD had an agreement in place that NeMCMHA would see any child who scored high on the risk screen. Nena stated it is the Agency's job to assume the risk for these individuals. The Board was in consensus to keep the trauma goal.

The Board next reviewed their goal of supporting and expanding services to children and young adults with autism spectrum disorder. Nena stated the Agency cannot expand more at this time, as they currently contract with every available autism program. The Board was in agreement to revise this goal to remove "expand."

The goal of coordinating community education and partnership in suicide prevention will be kept. Nena stated Alcona County had the second highest suicide rate in the state between 2005 and 2020, with 28.6 suicides per 100,000 persons. The highest in the state was Iosco County. Nena thinks a focus has to be put on suicide prevention, as those in rural communities can't get into psychiatrists and therapists. Nena stated very few of the recorded suicides were community mental health clients, with many being males aged 40 and over, as well as many veterans. While the demographics or the number of professionals can't be changed, the stigma around mental health can be reduced, and the Agency's crisis services can be increasingly advertised for the community.

The Board was in agreement to keep their goal of increasing substance use disorder services and training, as well as keeping their goal of collaborating with the VA. Nena has found veterans who were honorably discharged receive great services from the VA, but those veterans who were medically or dishonorably discharged and may fall through the cracks can be seen by the Agency.

The goal of further utilizing the Health Information Exchange (HIE) will be revised to include the new name of Great Lakes Health Connect, as well as adding information about the internal PCE portal used

by the Agency. NeMCMHA is notified through HIE if an individual is admitted, transferred, or discharged for physical health reasons.

The goal of keeping current in IT will be kept. Nena sated some of the surplus funds are being used to renovate the computer lab, as well as setting up a mobile computer lab. The Board did not think any new goals needed to be added, especially with there still being 68 open positions within the Agency.

The Board next reviewed current barriers/challenges. Nena has tasked staff to work on recruiting even more direct care workers. The Agency provides training and education for direct care workers, and Nena would like to start working with the college in September to possibly create a certification for direct care work. Nena stated the Agency is encouraging people to open foster care homes, and they support them and help them get licensed. The Board also reviewed the current opportunities. Nena is focusing on opening an office in Alcona County, so the Agency can have a stronger impact with a physical presence.

Nena stated the Agency needs relief from the Sub-End of increasing the number of children receiving home-based services, as there are currently eight open positions in the department. Erin Fletcher stated at the end of May 42% were receiving home-based services. The original goal of the Sub-End was 80%. Nena will speak with staff to see how this Sub-End can be revised to be more realistic, either by decreasing the percentage goal or by removing a specific percentage in favor of simply "increasing" home-based services. The Sub-End of developing one additional contract residential provider will be revised to state, "strive to develop."

The Sub-Ends regarding co-occurring disorders will be continued. The current goal is to have 10% of eligible individuals enrolled in BHH, and per Mary Crittenden, the Agency is currently at around 23%. Nena, Mary, and Board members were in agreement to raise the goal to 30%. The Sub-Ends for financial outcomes will be kept as good fiscal responsibility. The Sub-Ends for community education will be expanded, as Nena and the Agency are trying to be more creative with community outreach. The Sub-End will be revised to include events and education. All discussed revisions will be shown to the Board in September and will be adopted in October.

X. Budget Amendment #2

Connie Cadarette presented Budget Amendment #2. The amendment was done to clean up the budget, as some new departments were put in place this year and had to be estimated on the original budget. Now they have eight months of data and can do a more accurate amendment to the budget. Revenues are up for Medicaid and Healthy Michigan, more money has been received from the NMRE rebate, and an efficiency rebate has also been received.

Larry Patterson reported on the amended Expenditure Budget. Health insurance and prescriptions were the two largest decreases, and funding was reallocated from those line items. Larry reviewed line items receiving reallocations, with the largest reallocation of \$1.5 million going to Contracted Employees/Services.

Moved by Les Buza, supported by Gary Nowak, to approve Budget Amendment #2 as presented. Roll call: Ayes: Geyer Balog, Les Buza, Bonnie Cornelius, Judy Jones, Terry Larson, Eric Lawson, Gary Nowak, Pat Przeslawski, Terry Small; Nays: None; Absent: Bob Adrian, Roger Frye, Lynnette Grzeskowiak. Motion carried.

XI. July Monitoring Reports

1. Budgeting 01-004

Connie Cadarette reviewed the Statement of Revenue, Expenses and Change in Net Position for the month ending May 31, 2022. Connie stated there are still a few variances, but with 66.67% of the year elapsed, the Agency is staying very close to what was expected, sitting at 64.56%.

Gary Nowak departed the meeting at 4:31 p.m.

Larry Patterson reviewed the negative variances on the Statement of Revenue, Expenses and Change in Net Position. Funds have been reallocated to the line items with negative variances. Larry stated the line for Capital Equipment is a timing issue and will be resolved.

2. Asset Protection 01-007

There were no questions or comments on the Asset Protection monitoring report.

3. Community Resources 01-010

The Community Resources monitoring report details the Agency's collaborative and productive relationships in the community.

Moved by Terry Small, supported by Bonnie Cornelius, to approve the July Monitoring Reports as presented. Motion carried.

XII. Board Policies Review and Self-Evaluation

1. Community Resources 01-010

The Board agreed they are abiding by this policy.

2. Public Hearing 02-010

The Board and present staff were in agreement the Board is abiding by this policy.

Les Buza departed the meeting at 4:43 p.m.

XIII. Linkage Reports

1. Northern Michigan Regional Entity (NMRE)

a. June 22, 2022 Meeting

Nena Sork reported they are still working on advocacy regarding the proposed senate bills. NMRE Board members received an update on Northern Lakes CMHA. Nena brought up a news article from 07/13/22 which stated two primary members with lived mental health experience were removed from the Northern Lakes Board. Nena stated this will spill over to the overall perception of community mental health and could affect funding for the other CMH Boards and NeMCMHA. The proposed new CMH would have to be a part of, and receive funding from, the NMRE.

2. Board Committee Per Diem Discussion

Members of the Advisory Council currently receive a \$25 per diem. Recipient Rights volunteer community members currently do not receive a per diem. Bonnie Cornelius stated the per diem for the Recipient Rights committee shouldn't change, as they are volunteers, and Pat Przeslawski was in agreement. Advisory Council is a requirement of NeMCMHA's contract with MDHHS, but their per diem hasn't change since its inception. Terry Small would like to see it raised to \$35.

Moved by Terry Small, supported by Bonnie Cornelius, to approve raising the Advisory Council member per diem to \$35. Roll call: Ayes: Geyer Balog, Bonnie Cornelius, Judy Jones, Terry Larson, Eric Lawson, Pat Przeslawski, Terry Small; Nays: None; Absent: Bob Adrian, Les Buza, Roger Frye, Lynnette Grzeskowiak, Gary Nowak. Motion carried.

XIV. Operations Report

Mary Crittenden reviewed the services provided by staff for the month ending June 30, 2022. There were 40 routine requests for services and 46 hospital prescreens, 13 of which were placed in private hospitals. Community Living Support Services for I/DD served 100 and 66 were served for MI. Per Mary, the summer months are typically a little slower, with 989 individuals being served in June.

XV. Chair's Report

Eric Lawson stated he will probably be absent for the August Board meeting. Bonnie Cornelius would be next in the line of succession and agreed to run the meeting. The August meeting will also be Diane Hayka's last meeting before retiring.

Eric stated his name appeared in a political flyer endorsing a candidate as the NeMCMHA Board Chair. Eric explained he hadn't been asked to give his title as Board Chair, and he cannot endorse a political candidate on behalf of the Agency. Eric reiterated that NeMCMHA isn't a political organization. Eric has posted an official statement on the Agency Facebook and Instagram. Eric further explained what Board members endorse as individuals is fine, but it cannot be done from Board seats.

1. Planning for Executive Director Evaluation

The Board will be evaluating executive performance as shown on the monthly monitoring reports. Rebekah Duhaime can provide any past reports Board members would like to see.

XVI. <u>Director's Report</u>

1. Director's Update

Nena Sork provided Board members with a quick update of the various activities she participated in during the past month. Nena has attended three of the four county commission meetings in the last month, as well as attending the MMRA renewal meeting. Nena stated she attended the BCBS prerenewal meeting, and the Agency shouldn't have to pass along an increase to staff this year.

2. Employee Handbook

Nena discussed with the Board the Agency's need for an official employee handbook, as there are over 130 policies staff should be familiar with. They have found an organization that can create an employee handbook completely customized for the Agency for \$4,000. The only other option they found was a subscription service which would cost \$12,000.

Moved by Pat Przeslawski, supported by Judy Jones, to approve moving forward with an Employee Handbook. Roll call: Ayes: Geyer Balog, Bonnie Cornelius, Judy Jones, Terry Larson, Eric Lawson, Pat Przeslawski, Terry Small; Nays: None; Absent: Bob Adrian, Les Buza, Roger Frye, Lynnette Grzeskowiak, Gary Nowak. Motion carried.

Nena stated the new psychiatrist, Dr. Thibault, starts on August 1. Nena also shared the Individual Placement and Support employment program attended their annual summit, and they were recognized out of 23 community mental health organizations as one of the top three programs in the state for their employment rate, as well as being in the top five for employment lasting longer 180 days or longer.

Nena stated employee recognition will be on August 16, and the staff picnic and annual training will be the following day.

3. QI Council Update

The most recent QI Council minutes were provided for Board review. There were no comments or questions.

XVII. <u>Information and/or Comments from the Public</u>

Lisa Anderson thanked the Board for their approval of the employee handbook project and stated it will be wonderful for all employees.

XVIII. Information and/or Comments for the Good of the Board

There was no additional information and/or comments for the good of the Board.

XIX. **Next Meeting**

The next regularly scheduled meeting of the Northeast Michigan Community Mental Health Authority Board will be held Thursday, August 11, 2022 at 3:00 p.m.

1. Set August Agenda

The August agenda items were reviewed.

2. Meeting Evaluation

Pat Przeslawski stated the meeting started mostly on time (Rebekah Duhaime will fix the clock in the Board Room), and Board members had a lot of discussion with over 75% of the Board participating. Pat stated empathy was very obvious from the Board, but they were also very practical.

XX. **Adjournment**

Abuse Definitions and Examples

MHC 330.1722(1) "A recipient of mental health services shall not be subjected to abuse or neglect."

Abuse, Class I

- A non-accidental act or provocation of another to act, by an employee, volunteer, or agent of a provider that caused or contributed to the death, or sexual abuse of, or serious physical harm to a consumer.
- Examples:
- Pushing a consumer, causing him to fall and break a leg.
- Touching the inner thigh of a consumer because it "feels good."
- Purposely turning on the hot water in the shower resulting in burns to the consumer.

Abuse, Class II

A non-accidental act or provocation of another to act, by an employee, volunteer, or agent of a provider that caused or contributed to non-serious physical harm to a consumer; or

- The use of unreasonable force on a consumer by an employee, volunteer, or agent of a provider with or without apparent harm; or,
- Any action or provocation of another to act by an employee, volunteer, or agent of a provider that causes or contributes to emotional harm to a consumer; or,

Abuse, Continued

Abuse definitions are found in the Administrative Rules.

Abuse, Class II Continued

- An action taken on behalf of a consumer by a provider who assumes the consumer is incompetent, despite the fact that a guardian has not been appointed, that results in substantial economic, material, or emotional harm to the recipient.
- Exploitation of a consumer by an employee,
 volunteer, or agent of a provider.
- Examples:
- Using a consumer's "Bridge Card" to purchase something for themselves.
- Twisting a consumer's arm behind the back to make the individual leave the room.

Abuse, Class III

The use of language or other means of communication by an employee, volunteer or agent of a provider to degrade, threaten or sexually harass a consumer.

Degrading behavior includes language or epitaphs that insult the person's heritage, mental status, race, sexual orientation, gender, intelligence, etc. Examples include swearing at consumers, using foul language at consumers, using racial or ethnic slurs toward or about consumers, making emotionally harmful remarks toward consumers, causing or prompting others to do these things.

Abuse, Continued

Substantiations of Abuse require formal disciplinary action per the Administrative Rules.

Abuse, Class III Continued

Degrade: means any of the following: treat humiliatingly; to cause somebody or something a humiliating loss of status or reputation, or cause somebody a humiliating loss of self-esteem, make worthless: to cause people to feel that they or other people are worthless and do not have the respect or good opinion of others (syn) degrade, abase, debase, demean, humble, humiliate: These verbs mean to deprive of self-esteem or self-worth: to shame or disgrace

Examples of Class III

- Calling a consumer names.
- Swearing at a consumer.
- Shaking a finger in the face of a consumer.
- Saying to a consumer, "You will never amount to anything."
- Yelling at a consumer.
- Telling the consumer there is no afternoon snack because the consumer misbehaved.
- Telling a consumer he/she is "bad."
- Talking down to a consumer, like a parent scolding a child.

Neglect Definitions and Examples

Substantiations of Neglect require formal disciplinary action per the Administrative Rules.

Neglect, Class I

Acts of commission or omission by an employee, volunteer, or agent of a provider that result from noncompliance with a standard of care or treatment required by law and/or rules, policies, guidelines, written directives, procedures, or individual plan of service and causes or contributes to the death, or sexual abuse of or serious physical harm to a consumer.

The <u>failure to report</u> apparent or suspected abuse Class I or neglect Class I of a consumer when the abuse or neglect results in the death of, or serious physical harm, to the consumer.

Neglect, Class II

Acts of commission or omission by an employee, volunteer, or agent of a provider which result from noncompliance with a standard of care or treatment required by law, rules, policies, guidelines, written directives, procedures, or individual plan of service and that cause or contribute to non-serious physical harm or emotional harm, to a consumer; or,

The <u>failure to report</u> apparent or suspected abuse Class II or neglect Class II of a consumer when the abuse or neglect results in non-serious physical harm to the consumer.

Neglect, Continued

Neglect is failing to do something we should do.

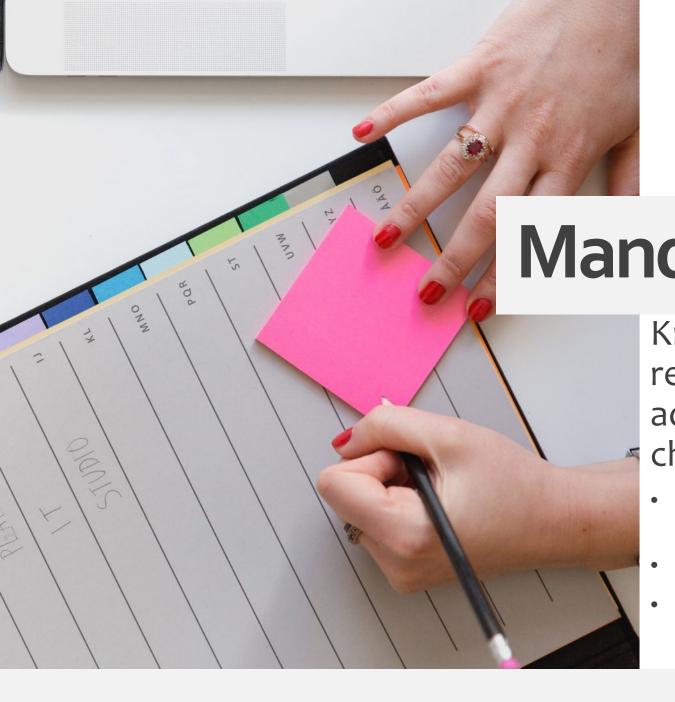

Neglect, Class III

Acts of commission or omission by an employee, volunteer, or agent of a provider that result from noncompliance with a standard of care or treatment required by law, rules, policies, guidelines, written directives, procedures, or individual plan of service and that either placed or could have placed a consumer at risk of physical harm or sexual abuse; or,

The failure to report apparent or suspected abuse Class III or neglect Class III of a consumer when the abuse or neglect places a consumer at risk of serious or non-serious harm.

Examples of Neglect

- Not following the Nutrition Guidelines in the Plan of Service.
- Leaving a consumer in a vehicle on a hot, sunny day.
- Not applying sunscreen as often as is recommended resulting in sunburn.
- Leaving a consumer's home when they told staff they planned to hurt themselves.
- Going in to work with consumers with symptoms of COVID.
- Transporting a consumer and staff receiving a citation for running a stop sign which resulted in an accident.
- Knowing a staff member is having a sexual relationship with the consumer and not reporting it.

Mandatory Reporting

Know who to contact to report recipient rights complaints (RR), adult protective services (APS), and child protective services (CPS).

- RR Ruth, 989-358-7847. If unavailable, Liz or Rob at 989-358-7848 or 989-358-7850, respectively.
- CPS Centralized Intake at 855-444-3911. Write 3200.
- APS Centralized Intake at 855-444-3911. Write an IR.

Who must report, what must be reported, and when must it be reported? All reporting must be done verbally immediately, followed by an incident report before the end of your shift.

Please follow the Abuse and Neglect Summary of Reporting Requirements poster that is posted at your work site. This includes recipient rights, child protective services, and adult protective services.

All employees, contractors and contractor's employees, and volunteers must follow the Michigan Mental Health Code, P.A. 258 of 1974.

Just a couple of other important rights ...

Confidentiality

What is considered confidential?

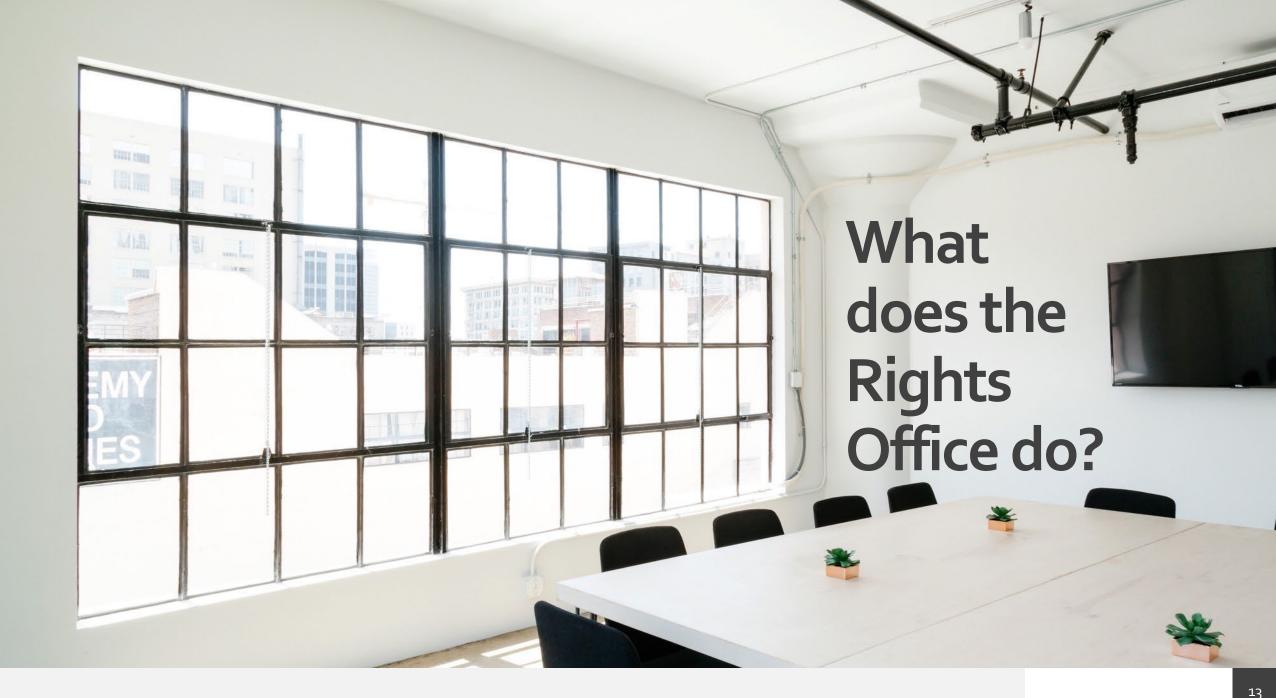

- The individual's name and any personal identification
- Whether or not the person is receiving services from us
- Photographs, videotapes, audio recordings (See Rights policy 3810, procedure 11 "Social Media")
- All information in a person's record and
- Any information you learn about the person while providing services.
- Consent of the person or guardian, if there is one, or parent of a minor is required before giving out any information. A MDHHS Consent form must be completed in order to share information. A case manager will assist with obtaining consent if needed.
- Respecting confidentiality means you cannot discuss what happened with any consumer when not at work or with people not authorized to know it. There must be a "need-to-know" basis to share information. Sharing this information should be done in a private, secure location and not in the presence of the individual or others.

Just a couple of other important rights ...

Dignity & Respect

How do you treat someone with dignity and respect?

- <u>Dignity</u> to be treated with esteem, honor, politeness; to be addressed in a manner that is not patronizing, condescending or demeaning; to be treated as an equal; to be treated the way any individual would like to be treated.
- Respect to show deferential regard for; to be treated with esteem, concern, consideration or appreciation; to protect the individual's privacy; to be sensitive to cultural differences; to allow an individual to make choices.
- Examples include:
- Calling a person by his or her preferred name, using positive language, encouraging the person to make choices instead of making assumptions about what he or she wants, taking the person's opinion seriously, including the person in conversations, allowing the person to do things independently or to try new things.
- All staff shall treat consumers and their family members with dignity and respect, being sensitive to conduct that is or may be deemed offensive to the other person.

Recipient Rights Advisory Committee Minutes July 27, 2022

The meeting was called to order at 3:05 p.m. July 27, 2022, by Chair Pat Przeslawski in the Administrative Conference Room.

Present: Judy Jones, Barb Murphy, Pat Przeslawski, Renee Smart-Sheppler and Lorell

Whitscell

Absent: Tom Fredlund (Excused)

Staff: Ruth Hewett

Guests: None.

DRAFT MINUTES

I. Old Business. None.

II. Approval of Minutes. The minutes from 4-20-2022 were approved as written by consensus.

III. New Business.

QUARTERLY RIGHTS ACTIVITY REPORT: The report covered the third quarter of FY 22, 4/1/2022 – 6/30/2022. The complaints this past quarter were comparable to the previous quarter but higher than they were the same quarter last year. Of the 30 complaints, 23 were investigated, 3 were handled as interventions, and 4 were outside the jurisdiction of the rights office. There was 1 investigation pending. Of the 26 investigations/interventions, there were 14 substantiations. The substantiation rate was 54%, which is typical. There was 1 remedial action pending at the time of the report. Barb moved to review the report, supported by Renee, motion carried.

RESULTS OF COMMITTEE COMPOSITION SURVEY: All composition surveys were returned and the Mental Health Code composition rate was exceeded. Of the 6 members, 2 are primary consumers, 5 are secondary consumers, and 2 are board members. Committee members reported other advocacy representation as a former AFC home supervisor, SIS assessor, Blue Horizon board member, NEMROC board member, retired deputy sheriff, former Area 3 Director of Special Olympics, guardian of a primary consumer, retired educator, and two active participants in the faith-based community.

<u>SEMI-ANNUAL REPORT</u>: The Semi-Annual report was a compilation of rights complaints / investigations from 10-1-2021 through 3-31-2022. The committee has reviewed this information via the quarterly reports. Judy asked for a comparison with other cmh agencies in the state. Ruth reported the state rights office publishes an annual report from the data received from all the cmhs as well as the hospitals. Ruth will present information at the next meeting showing where Northeast compares with others.

RIGHTS OFFICE STAFF AND RESPONSIBILITIES: Ruth reported the second recipient rights advisor position was filled on 7-8-2022 by Robert Keyes. He comes with a criminal justice background, having served time in the Navy. He is currently attending the state mandated Basic Skills training this week and will be able to begin rights activities in a few weeks. In addition, since the retirement of the customer service rep in April, the rights office has assumed the responsibilities of customer service, grievances and appeals.

IV. Educational Session: The committee was presented with the recipient rights update training that all employees will complete during their annual staff training in August. The committee members took the opportunity to complete the test that accompanied the training.

GOVERNANCE PROCESS

(Manual Section)

CHAIRPERSON'S ROLE

(Subject)

Board Approval of Policy
Last Revision Approved by the Board:

August 8, 2002 August 12, 2021

•1 POLICY:

The Chairperson assures the integrity of the board's process and, secondarily, occasionally represents the board to outside parties. The Chairperson is the only board member authorized to speak for the board (beyond simply reporting board decisions), other than in rare and specifically authorized instances.

- 1. The job result of the Chairperson is that the board behaves consistent with its own rules and those legitimately imposed upon it from outside the organization.
 - A. Meeting discussion content will only be those issues which, according to board policy, clearly belong to the board to decide, not the Executive Director.
 - B. Deliberation will be fair, open, and thorough, but also efficient, timely, orderly, and kept to the point.
- 2. The authority of the Chairperson consists in making decisions that fall within the topics covered by board policies on Governance Process and Board-Executive Director Relationship, except where the board specifically delegates portions of this authority to others. The Chairperson is authorized to use any reasonable interpretation of the provisions in these policies.
 - A. The Chairperson is empowered to chair board meetings with all the commonly accepted power of that position (e.g., ruling, recognizing). The Chairperson may invoke Roberts Rules of Order.
 - B. The Chairperson has no authority to make decisions about policies created by the board within Ends and Executive Limitations policy areas. Therefore, the Chairperson has no authority to supervise or direct the Executive Director.
 - C. The Chairperson will represent the board to outside parties in announcing board-stated positions and in stating Chair decisions and interpretations within the area delegated to him or her.

Subject: CHAIRPERSON'S ROLE 02-004

- D. The Chairperson may delegate this authority, but remains accountable for its use.
- 3. Any person desiring to address the Board, either as an individual or on behalf of a group, shall be requested to identify him/herself by name and residence county and his/her group if he/she represents one. He/She shall then state his/her reason for addressing the Board and may be limited in their remarks to three minutes on matters within jurisdiction of the Board at which time a brief supporting the points may be submitted to the Board for its consideration; provided, however, that individual employees of the Board shall have exhausted administrative procedures before making the request to address the Board on specific matters which shall have had administrative review. The presiding officer may also extend the period of time with approval of the Board. All questions presented by any person to either the Board or any member of the staff shall be answered in a manner as determined by the presiding officer.

BOARD MEMBERS PER DIEM

(Subject)

Board Approval of Policy
Last Revision Approved by the Board:

August 8, 2002 June 9, 2022

•1 POLICY:

- 1. Board Members shall be paid a per diem of \$75 per meeting which exceeds four (4) hours in duration; Board Members shall be paid a per diem of \$50 for meetings less than four (4) hours in duration; \$75 per meeting outside the service area and \$75 per day for conference attendance. Board Members required to travel the day preceding a meeting will be reimbursed at the per diem rate for less than four (4) hours. In order to be eligible for these payments, these meetings must be approved by the Board or by the Board Chair if time constraints would not permit a delay until the next meeting of the Board.
- 2. Reimbursement of Board Members' expenditures for travel, lodging, meals, registration fees, tolls, parking fees and similar expenses related to Board business shall be at current rates established by the Board and consistent with applicable guidelines.
- 3. For purposes of reimbursement of expenses of travel to Board and Committee meetings held in a city other than a Board Member's city or township of residence, each Board Member shall have established a standard round-trip distance between home and Board Meeting site; reimbursement of such travel expenses shall be made monthly. For other Board-business-related travel, a record of actual mileage (via the shortest route between home and destination) shall be required, unless standard-map-mileage is utilized as a default. Wherever practical, Board Members traveling to the same destination should coordinate transportation to minimize expense. Reimbursement of all other expenses shall require documentation in the form of receipts. No reimbursement shall be made for purchases of alcoholic beverages.

4. Current reimbursement rates are:

Mileage: Mileage reimbursement equal to employee reimbursement rates

Lodging: \$75.00 per night, unless lodging is at the site of a conference, in which

case that facility's rate shall be honored. Hotel accommodations should be made by the Executive Secretary or designee so tax exemption occurs. Board members are encouraged to utilized double occupancy when

appropriate.

Subject: BOARD MEMBERS PER DIEM 02-009

Meals: \$65.00 per day maximum, or individually by meal. Please note the

allowance includes a gratuity to a maximum of 15%.

\$ 15.00 for Breakfast \$ 20.00 for Lunch \$ 30.00 for Dinner

BOARD SELF-EVALUATION

(Subject)

Board Approval of Policy
Last Revision Approved by Board:

November 7, 2002 August 8, 2019

•1 POLICY:

In cooperation with the Executive Director, the board will establish a set of measurable standards in which the function and process of the board and performance of the individual board members can be evaluated.

Under the leadership of the chairperson, on an annual basis, the board will conduct a self-evaluation in conjunction with the appraisal of the executive director.

The board will evaluate itself in the areas outlined in the Board Job Description policy.

The Chairperson will distribute a report to the board outlining the results of the self-evaluation.

The board will discuss and interpret the outcomes of the self-evaluation.

The board will formulate a work plan that will highlight specific goals and objectives for improvement of identified areas.

The board will monitor its adherence to its own Governance Process policies on a regular basis. Upon the choice of the board, any policy can be monitored at any time. However, at minimum, the board will both review the policies and monitor its own adherence to them, according to the perpetual calendar schedule.

INTEROFFICE MEMORANDUM

TO: Board Members

FROM: Eric Lawson

SUBJECT: Self-Evaluation

DATE: July 29, 2022

During the August meeting, we traditionally review the policy self-evaluation that we have conducted during our monthly board meetings related to Board compliance with the policies. Included here are excerpts from the last year's minutes highlighting those discussions.

| Policy # & Name | Evaluation Excerpt from Minutes | Board Meeting Minutes: |
|---------------------------------------|---|------------------------------|
| 02-002 Governing Style | This policy requires self-evaluation. Roger Frye believes Board members are abiding by this policy. Pat Przeslawski noted this Board is a well-run board, while we may not always agree we are able to discuss openly. Bonnie Cornelius noted this helps to remind the Board they are the embodiment of the population in our counties. | 04-14-22 |
| 02-003 Board Job Description | Board members reviewed the policy and did not recommend any revisions. | 05-12-22 |
| 02-004 Chairperson's Role | Board members reviewed this policy. Eric Lawson requested input from Board members as to whether this policy is being followed. He requested an "s" be added to paragraph 3 on the second page. Another change would be to change township to county in that paragraph. | 08-12-21 |
| 02-005 Board Committee Principles | Board members reviewed the policy and Pat Przeslawski noted the Board is following this policy well. She reports this identifies the fact that they cannot exercise authority over staff. She also noted it addresses interaction with the community. | 02-10-22 |
| 02-006 Board Committee Structure | Board members reviewed the policy. Gary Nowak reported the Recipient Rights Committee is doing a fantastic job and has a good leader. | 09-09-21 |
| 02-007 Annual Board Planning Cycle | There were no revisions or comments provided. Board members agreed they were adhering to the policy. | 10-14-21 |

| Policy # & Name | Evaluation Excerpt from Minutes | Board Meeting Minutes: |
|---|---|------------------------------|
| 02-007 Annual Board Planning Cycle (Cont'd) | Eric Lawson shared that two CARF consultants attended the policy workshop to discuss changes and they suggested adding language to comply with CARF standards. Eric discussed the proposed changes to the policies, and stated the biggest additions were regarding the Executive Director's evaluation, clarifying the process that already occurs. | 06-09-22 |
| 02-008 Code of Conduct | This policy was reviewed by Board members. This requires Board members to attest to their adherence to this policy. Diane Hayka requested Board members to sign the form and return the forms to her. | 03-10-22 |
| 02-009 Board Member Per Diem | The per diem rates and mileage rates were discussed. The hotel rate was clarified. The mileage rate was increased effective July 1, 2021 to 55¢ from 50¢. This policy did not require any revisions. | 08-12-21 |
| | Eric Lawson stated the Board discussed raising their per diem to \$50 for a half day (four hours or less) and \$75 for a full day (over four hours). A meeting out of catchment area or a conference day will be a \$75 per diem. Bonnie Cornelius stated the per diem hasn't been changed in years and Eric stated the Board has taken care of employees, so it is appropriate for the Board to now consider their own compensation. | 06-09-22 |
| 02-010 Public Hearing | The Board and present staff were in agreement the Board is abiding by this policy. | 07-14-22 |
| 02-011 Board Member Recognition | Eric Lawson noted this policy was recently revised to address awards for 20+ years Board members. Board members had no recommended revisions for this policy. | 12-09-21 |
| 02-012 Board Self- Evaluation | Pat Przeslawski noted this evaluation process is difficult to do. She reported having less committees in the governance process has worked well. | 08-12-21 |
| 02-013 Cost of Governance | The budget numbers have been adjusted for the current fiscal year in this policy revision. Board members felt they were abiding by this policy. | 04-14-22 |
| 02-014 Board Core Values | Board members reviewed the policy and did not recommend any revisions. | 05-12-22 |
| 02-015 Board Member Orientation | Board members reviewed this policy. Geyer Balog reported he felt he was oriented very well. There are many elements to the policy. Eric Lawson noted he believes multiple board members have enough knowledge in Board Governance to train new board members when the need arises. | 12-09-21 |
| 02-016 Disclosure of Ownership | | 06-09-22 |

| 03-001 Executive Director Role | There were no revisions or recommendations for revisions. Eric Lawson requested input as to how the Board is operating as related to this policy. Terry Small indicated he | 01-13-22 |
|---|--|----------|
| | believes Board members operate according to this policy. | |
| 03-002 Delegation to the Executive Director | Pat Przeslawski reported the Board update this policy just two years ago. The policy is clear and does not require further revision. | 02-10-22 |
| 03-003 Executive Job Description | Board members believe this policy looks good. Board members indicated the Director's performance on ends meeting objectives set and that the organization is operating within established ethics. | 10-14-21 |
| 03-004 Monitoring Executive | There were no suggested revisions to this policy. | 10-14-21 |
| Performance | Lynne Fredlund reviewed suggested changes to the Executive Director Evaluation Form. The proposed changes do not change the process, but outline the process that is already in place. Board members spoke to concerns of too much added language, while others agreed it isn't creating additional work, just outlining the work that is already being done. Eric Lawson stated the proposed changes should improve Board familiarity with the process, especially for new members. Lynne stated she would make the wording as concise as possible. | 06-09-22 |
| 03-005 Chief Executive Officer Search Process | Board members reviewed the policy. Bob Adrian noted we may wish to discard this policy for the next 20 years. Pat Przeslawski indicated the Board adhered to this policy during their recent search. | 09-09-21 |

In addition to the review above, the Board also completes an additional form as a self-evaluation tool which has been used by other Boards seeking CARF Accreditation under Board Governance. We have attached this form again for completion. We believe this was a useful tool in achieving our accreditation under Board Governance. Please complete this form and return it to Rebekah Duhaime. She will compile the results and present them at the September meeting.
